Passionate and aspiring to succeed with a creative drive in the digital design industry. I have just finished my final year of studies as a Digital Media Design undergraduate at Plymouth University. I'm an excellent team worker who thrives on new challenges, as demonstrated throughout my degree with my enthusiasm for digital design. I hope to meet and exceed these challenges with a strong academic background and a determined, motivated attitude. I am now keen to expand and leverage my skills within the creative industry.

## Education

### **BA (Honours) in Digital Media Design - Plymouth University (2017 – Present)**

Awaiting results.

Throughout this degree I have learnt a wide array of digital and design skills from the different units I have studied, including:

- Web Technologies.
- Creative Coding.
- Strategies for Digital Art and Technology.
- Digital Making.
- Venture Culture.

### **IT Level 3 Practitioner - BTEC at Weston College (2014 – 2016)**

- Achieved D\*D\*D\* grades.

### **BA (Honours) in Computer Visualisation and Animation - Bournemouth University (2016 – 2017)**

I previously completed just under a year of study at Bournemouth University – Completed and passed all modules where I was tracking at a 2:1 grade. These modules included:

- Cinematography and Acquisition.
- Computer Animation Production and Practise.
- Introduction to Production Tools.

### **GCSEs at Churchill Academy (2009 – 2014)**

- Achieved 12 GCSEs grades A\* - B, including Maths and English.

## Technical Skills

- Microsoft Office.
- Autodesk Maya.
- HTML and CSS.
- Adobe Suite, including Photoshop, Illustrator, Premier Pro, After Effects.
- Unity, including Virtual Reality.

## Employment

### **Select, summer and winter of 2019**

I have retail experience working at a women's clothing shop where I was required to work on tills, organise/unload delivery and keep the shop floor stocked.

- Working on a till helped me gain experience in dealing with money and prioritising workloads during busy periods.
- Dealing with the shop delivery involved categorising and correctly keeping record of what entered the shop.
- I had to juggle a number of tasks which demanded flexibility and versatility.

### **Rookery Manor, May 2017 – August 2018**

I have also worked at Rookery Manor full-time for two summers (May – August), where I was required to set up tables and decorations for weddings/functions/restaurants, help prepare food and wait on tables.

- While dealing with food, I gained valuable skills on health and safety, and how to hygienically prepare it.
- I learnt silver service dining and how to professionally lay out a table and prepare for a function.
- How to provide excellent and professional customer service to make a guest's day special. This involved being very organised and attentive.
- Often working individually and as a team to help the day run successfully.

## Achievements

- Piano Grade IV.
- IT Student of the Year at Weston College.
- Volunteered to promote IT to year ten girls at Broadoak School, with a view to encourage more girls into a career in IT.
- Had one of my university projects displayed at Plymouth's Illuminate Light Festival.
- Included in Dean's List of students for achieving excellent overall results across the Faculty of Arts and Humanities.
- I was a student rep and ambassador for my course at University.

## Hobbies and Interests

- Member of the Plymouth University Game Society.
- Play both the piano and saxophone.
- Regularly attend the gym.
- Play board and video games.
- Have an interest in computer animation – especially Disney.
