

Hello!

My name is Emma Stolliday, and I am currently in my final year of Digital Media Design at the University of Plymouth. I am a front end developer who is looking to grow my skills in a professional environment. I am a great team player with excellent communication skills, as demonstrated by my role as a student ambassador. I also excel at customer service from my previous job as an arcade attendant.

Have a look at some of my work at www.emmastolly.com
