Personal Statement

I am currently in my last year of University where I have been developing my skills and knowledge in the Illustration industry. For this course, I have needed to manage my time, develop a very strict work ethic, and learn new creative software such as Photoshop and InDesign. I am hard working, a fast learner, and eager to make a name for myself in the illustration industry.

Experience

Mavern House Nursing Home, Shaw, Wiltshire: 2019-Present

Housekeeper

- Complete daily and deep cleans in each of the 30+ rooms using the proper equipment, chemicals, and infection control precautions.
- Socialise with elders as well as other members of staff, such as carers and management.
- Practice good time management while still giving a thorough clean.
- Work as a team when understaffed and help others complete their tasks even after my shift has finished.

Whetherspoons, The Bear, Melksham, Wiltshire: 2017

Kitchen Associate

- Helped my team complete tasks on site day to day and kept up in a fast past environment.
- Made sure to have good relations with my team i.e. supporting customers with concerns, reporting to managers, and recording relevant information on work carried out.
- Kitchen organization, completing orders, and keeping the kitchen well stocked.

Fast Learner

Interests

In my spare time, I enjoy hanging around with my family and friends whether that be at home or out for a nice meal. Also, I try and practice a healthy lifestyle by running three miles whenever I can. Lastly, as a creative I enjoy drawing, creating, and sharing my work with others.
